BENEFITS

DISTINCTIVE VOYAGES HOST

On a Distinctive Voyages cruise, you will have easy access to a **Distinctive Voyages Host** who is always ready to answer any questions you might have. Our extremely knowledgeable Hosts are carefully selected because they know both the ship and the itinerary inside and out. They will personally take care of you throughout your voyage, from answering your questions to helping with restaurant and spa reservations, as well as recommending off-the-beaten-path port experiences.

PRIVATE WELCOME RECEPTION

The Private Welcome Reception is your introduction to your exclusive group. Occurring early in the cruise, at this reception you will meet and become acquainted with the other VIPs in the Distinctive Voyages group. These acquaintances will soon become fast friends as you see them throughout the journey. The reception will be organized by the Distinctive Voyages Host, who will discuss the itinerary in depth and answer any questions you might have. It truly is a wonderful way to begin your cruise adventure.

EXCLUSIVE SHORE EVENT

Guided by local experts, our Exclusive Shore Events are specially chosen excursions that reveal the true nature of the people and places you will visit, helping you connect to the culture in a very personal and unforgettable way. These excursions are only available to the members in your group. Some cruise lines may offer excursions to the general public that are similar, but Distinctive Voyages adds experiences to make them extra special for you.

PRIVATE CAR & DRIVER

Break away from the crowd and enjoy a personal tour with a **Private Car & Driver**. This unique amenity includes the option to choose between a private car and driver with either a pre-selected tour, or you and your driver can customize where you would like to go. Additionally, in lieu of this amenity, you can choose a shipboard credit to use at your discretion. Available only on select luxury cruise departures, this special amenity replaces the Exclusive Shore Event with an unforgettable excursion that is completely yours to enjoy.

CULINARY COLLECTION

Our culinary-themed sailings are ideal for food and wine enthusiasts. Each of these departures celebrates a world of epicurean delights and features demonstrations from world-renowned chefs, cooking classes, galley tours, wine and spirit tastings and delightful meals focused on regional cuisine.

HOTEL & AIR

Our agency can enhance your Distinctive Voyages vacation even further with pre- or post-cruise hotel stays through our SELECT Hotels & Resorts. This exclusive program provides you with special perks and privileges at the world's finest hotels, resorts and villas. ANTARCTICA

Icy peaks rise from glassy seas, glaciers shimmer beneath the midnight sun and penguins gather by the thousands on pristine, windswept shores. Antarctica is a destination that defies imagination — a place so remote and untouched it feels like another planet. Here, the silence is profound, the beauty surreal and the wildlife abundant. From the comfort of your ship, sail past bobbing icebergs, witness the dance of orcas in crystalline waters and venture ashore for unforgettable encounters.

ARRIVE EARLY. STAY LONGER. ENJOY MORE.

You never want to be rushed when arriving at or departing from your cruise vacation. That's why our travel advisors always recommend arriving at your embarkation port a day or two early or staying at the disembarkation city a few days afterward. Not only does this make it easier to prepare for your Distinctive Voyages cruise after a long flight, but it also gives you time to explore some of the world's most fascinating cities.

Here are a few offers for travel through December 2025 at popular cruise ports, all of which are part of Internova SELECT Hotels & Resorts — a special collection of properties our agency has access to that provides you with exclusive perks and privileges at the world's finest hotels, resorts and villas.

THE VALUE OF A DISTINCTIVE VOYAGES HOST

It's easy to get excited about two of the main benefits of a Distinctive Voyages cruise — the invitation to a Private Welcome Reception and Exclusive Shore Event. However, the third benefit — the services of a Distinctive Voyages Host — will actually be the most important part of your experience.

Our extremely knowledgeable Hosts are carefully selected because they know both the ship and the itinerary inside and out. Acting as your personal concierge, our Hosts will take care of you throughout your voyage, from answering your questions to helping with restaurant and spa reservations, as well as recommending off-the-beaten path port experiences. In short, they'll make sure your entire time on board and on shore goes smoothly.

HERE ARE SOME COMMENTS FROM OUR DISTINCTIVE VOYAGES HOSTS:

"I hosted my first Distinctive Voyages cruise in June 2014 and I've cherished every one since. Meeting the group at the Private Welcome Reception and discussing the ports of call throughout our journeys is a joy. Guests often express how helpful it is to have me on board, giving them tips and being a sounding board. That's what we travel advisors do best — we love sharing our real-world experiences with fellow travelers." Tim, Distinctive Voyages Host

"The Distinctive Voyages program has been a big hit with my clients. Having a complimentary shore event attached to a sailing has helped many of my clients choose one departure over another. The program allows me to use my destination experience and share my knowledge with like-minded travelers. I can't wait to experience my next Host assignment and set sail with a great group of voyagers!" Anita, Distinctive Voyages Host

"What I love about the Distinctive Voyages program is that I get to meet so many new people! I enjoy sharing my journeys and being in the position to assist others with port recommendations or questions about the ship. But the best part is when the guests tell me how much fun they had on this cruise and thank me for making this a wonderful vacation." Carolyn, Distinctive Voyages Host
